Qualifications from EDI

The students'
guide to LCCI
International
Qualifications

Unlock your abilities...

...with LCCI International Qualifications

abil'ity *n.* abil'ities *pl.*
competence, power; talent,
competence in an activity
or occupation because of
one's skill, training, or
other qualifications.

LCCI International Qualifications are awarded by EDI, the second largest vocational qualifications provider in the UK

Let your LCCI Language Qualification speak for you!

LCCI International Qualifications offer:

- A wide range of qualifications including, English for Business (EFB), English Language Skills Assessment (ELSA), English for Tourism, Spoken English for Industry and Commerce (SEFIC), Junior and Senior English Tests (JETSET), Certificate for teachers of English as a Foreign Language (CertTEFL), among many others
- Clear indication of your abilities through the alignment of the qualifications to the Common European Framework (CEF)
- Evidence of English language ability for admission to universities, both UK and worldwide
- UK Border Agency approved English tests for the Points Based System
- A range of levels and age specific tests so you can start at the point that is most suitable for you
- The option to develop all four language skills: reading, writing, speaking or listening

Sound interesting? Why not visit our website www.lcci.org.uk and try our free 'Test your English' assessment to give you an idea of which qualification and level is suitable for you.

LCCI International Qualifications have been offered since 1887 and are recognised and valued world-wide

Thinking of a career in finance?

Then you are looking in the right place. LCCI international qualifications offer:

- A diverse subject range to give you a wide variety of job opportunities; subjects include: Book-keeping, Financial Accounting, Cost and Management Accounting, Business Statistics and Business Calculations
- Exemptions from certain modules of ACCA professional qualifications
- Opportunity to study at UK universities through our Level 3 Accounting qualifications on the UCAS tariff
- Choice of studying accounting based on UK standards or International Accounting Standards (IAS) at Levels 3 and 4
- Confidence in the value of the qualifications as they are recognised by many governments, regulatory bodies and employers worldwide
- Full study support through our new range of 'Passport to Success' students book

Want to jump further ahead of the competition?

Then look at our language, IT and employability skills qualifications to complement your technical abilities. Employers are more impressed by finance professionals with good communication skills and organisational abilities.

Every year approximately 250,000 students choose LCCI qualifications

Business Skills - at the centre of successful organisations!

LCCI International Qualifications offer:

- A wide range of subject areas including Business Administration, Audio Transcription, Text Production, Meetings, Business Practice, Principles and Practice of Management, Practical ICT Skills, Employability Skills, among others
- The opportunity to combine different subjects to achieve the recognised Level 3 Private Secretary's Diploma or the Level 4 Executive Secretary's Diploma
- Subjects at different levels of achievement so you can gain the skills that are more relevant to your goals
- Separate units within the ICT qualifications so you can choose the skills more suitable for you: Word Processing, Presentation Software, Spreadsheets, Databases and Email, Internet and IT Security
- The opportunity for you to become a member of professional organisations such as the Institute of Professional Administrators in the UK and similar organisations around the world

Take a look at our other qualifications to complement and extend your business skills.

Over 5,000 schools, colleges, universities and private training organisations in over 120 countries are approved to offer LCCI International Qualifications

Interested in Marketing and Sales?
